## **JOB POSTING –Post Doctoral Fellowship**

**Dr. Kate Tilleczeck**  
**Professor & Canada Research Chair (Tier I)**  
*Young Lives in Global & Local Contexts*  
**Director, Young Lives Research- UPEI**

### **The Position**

- ✓ Post-doctoral fellowship (one year)

### **The Duties**

Dr. Kate Tilleczeck, Director of The Young Lives Research Lab at the University of Prince Edward Island, Canada, requires a post-doctoral fellow to work across projects. The focus of the position will be qualitative data collection, analysis, and management, as well as the dissemination of findings through various writing projects. This position will also be focussed on the creation and management of qualitative data architecture.

### **Projects**

- ✓ Funded by the **Social Sciences and Humanities Research Council of Canada (SSHRC), and the Canadian Institutes of Health Research (CIHR)**
- ✓ Longitudinal and/or visual data collection in the areas of 1) the impact of digital media on young lives across time and countries (SSHRC), 2) youth access to mental health services in Atlantic Canada (CIHR), and 3) the relationship between technology and mental health as experienced by Indigenous youth
- ✓ Conducted from Dr. Tilleczeck's *Young Lives Research Lab* at University of Prince Edward Island.

## Qualifications

- ✓ PhD in social science, youth studies, applied health research, or related discipline
- ✓ Experience and expertise in qualitative inquiry and analysis (longitudinal)
- ✓ Experience and expertise in data management (including secure file transfer and storage)
- ✓ Strong writing skills and publication record
- ✓ Experience and expertise in longitudinal qualitative data collection
- ✓ Background in research with youth and technology and/or mental health
- ✓ Experience and expertise in research ethics
- ✓ Experience and expertise with NVivo and/or other qualitative analysis software
- ✓ Experience in working effectively in research environments with young people
- ✓ Ability to contribute and work productively in an international research team

**Closing Date: November 24, 2014**

**Application Instructions:** Please forward cover letter, CV, writing sample, and 3 letters of reference to [ktilleczek@upei.ca](mailto:ktilleczek@upei.ca)
